

Nr. Prot. 2977 Dt. 30/12/2025

Notification Regarding the Final Result After the Demo Lessons and Interview for the Full-time Academic Position at the Public International Business College IBCM in Mitrovica

The Committee for the Evaluation of Candidates for the Full-time Position Professor Assistant or Lecturer in Mathematics and Probability and Statistics, interviewed the below short-listed candidates on 19.12.2025

1. 2025/2219/01
2. 2025/2219/02

The committee states that the final result from the two assessments, the Demo Lessons and the Interview, for respected candidates as follows:

3. 2025/2219/01 final result 78.25%
4. 2025/1585/02 final result 78.17%

The candidate who achieves over 60% out of 100% from Demo Lessons and the Interview are eligible to be considered for final selection. Candidates with the highest overall score will be accepted.

Based on the final result, candidates **2025/2219/01** have met the criteria and have the best final results for the position of Full time Lecturer in Mathematics and Probability and Statistics at the Public International Business College IBCM.

Candidates who contest this result may submit a written appeal within three (3) days from the date of notification and publication of the final result.

Appeals should be submitted to the personnel office at IBCM.
